Subject: Meeting with Ecology re: Deschutes

Hi all,

It sounds like Ecology can't meet next week, so they're going to look into dates for the week of October 2nd. How long do we need for the meeting? Is an hour sufficient or do we need more time? I got the sense that we'd prefer to have managers (e.g., Mike and Heather Bartlett) in attendance, even if it means a shorter meeting, but I wanted to confirm.

Does someone want to check in with Mike to confirm he's interested in participating?

Thanks,

Leah
